PP *Portable Programme*
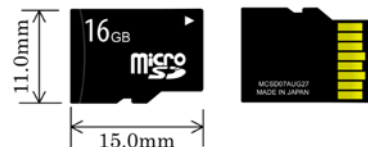

Helmut Maschek

Die folgende Liste zeigt alle Programme auf der 16GB MicroSD-Karte „Portable Programme". Die Programme können ohne Installation unmittelbar von der SD-Karte gestartet werden. Sie stammen aus drei verschiedenen Sammlungen, die auf drei Verzeichnisse aufgeteilt sind. Die Kürzel in der ersten Spalte der Tabelle stehen für folgende Verzeichnisse:

AS   /PC-Mag-Suite2011-DVD
PA   /PortableApps
IP   /Installationsfreie_Programme

Die MicroSD-Karte enthält darüber hinaus

- umfangreiche Dokumentationen zur Handhabung der Programmsammlungen und die Vortragsunterlagen des Clubabends am 8.11.2016
- ein ISO-Image (7GB) dieser Programme, welches auf eine DVD gebrannt werden kann, sowie
- eine ZIP-Version (3,2 GB) zur schnellen Installation auf einer Festplatte.

Weitere Informationen siehe Dokumentation auf der Micro-SD-Karte sowie bei der Nachlese zum Clubabend am 8.November 2016, bei dem diese Sammlung vorgestellt wurde und hier:
